BOTANICA

Modern homes surrounded by nature.

Botanica 5 at Summerstone is comprised of 7 architecturally designed homes. All homes are thoughtfully designed, functional and constructed to maximise space and natural light.

Position perfect.

The Botanica Homes are located within Summerstone, Morayfield and offer you the chance to secure a home in a thriving new community.

Summerstone is an amazing, master-planned estate that embraces its natural setting and neighbouring communities, providing the perfect blend of open space lifestyle and connectivity to the outside world.

Dedicated walking and bike trails flow through the estate, linking reserves, playgrounds and sports fields, all easily accessible from every front door. Within a five-minute drive you have Morayfield and Burpengary shopping precincts; two excellent state schools, Morayfield and Morayfield East; and Morayfield train station which has a direct link to Brisbane CBD.

The area offers great lifestyle options. There's a number of scenic bike and walking trails, including the North Harbour mountain bike trail. Moreton Bay is ten minutes away for those who like being out on the water. The spectacular Glasshouse Mountains (and Australia Zoo) are nearby, and the delights of the Sunshine Coast are less than an hour's drive away.

It all adds up to a perfect blend of escape and connectivity, where the convenience of modern living isn't compromised by wanting a healthy, safe environment in which to live and grow.
