THE PRODUCT

All homes are offered as fixed price, turn-key packages, so all you have to do is move in!

Within this release of 5085, you have the choice of six architecturally designed town homes in three diverse designs - Nova, Luna and Stella.

Perfectly situated overlooking a park, residents of 5085 will enjoy open space, which is relatively unique compared to most townhouse developments. Each home offers its own distinct style and benefits. All homes are thoughtfully designed, functional and constructed to maximise space and natural light.

Each home will comprise of their very own private open space - landscaped low maintenance courtyard garden and garage. The Nova design also includes a generous sized balcony.

Inside, you will have a choice of three stylish colour schemes and a contemporary but timeless palette of fixtures and finishes.

Providing choice and flexibility, it is here that you can enjoy an affordable and vibrant lifestyle that offers comfort, security and style.

Choice and flexibility is everything, which is why we are offering an array of living choices to suit all lifestyles.
